Despair

• Periods of economic disruption and increased substance misuse are often correlated
• Increases in unemployment may lead to continued increases in the misuse of all classes of substances
• Increased substance misuse brings increased rates of overdose – and death
COVID-19 Inter-Agency Overdose Action Plan: Goals

- Prevent Problematic Substance Use
- Reduce Substance-Related Morbidity and Mortality
- Expand Alternatives to Incarceration for People with Substance Use Disorder
- Expand Access to SUD Treatment in the Criminal Justice System
- Monitor Substance-Use Trends
- Expand Access to Substance Use Disorder Treatment
- Ensure Access to Recovery Support Services
