 - e. Certain term and master contracts, as determined by the Governor’s Office and the Office of State Procurement in the Department of General Services.
- C. A procurement is exempt from designation for the small business reserve if the Governor’s Office certifies — concurrently with review of any waiver determinations for certified minority business enterprise contract goals — that it is not practicable to do so.
- D. The Office of State Procurement in the Department of General Services shall assist the Governor’s Office in establishing procedures and guidelines for the efficient exemption of procurements from the small business reserve and as may otherwise be appropriate for the implementation and administration of this Executive Order.
- E. When delegating procurement authority to the procurement agencies, the Department of General Services shall condition the delegation on compliance with this Executive Order.
- F. All Executive agencies shall implement this Executive Order in a manner that is consistent with all applicable statutes, including the public policy favoring advancements of women- and minorityowned businesses as set forth in Title 14,
