

The State of Maryland

Executive Department

EXECUTIVE ORDER

01.01.2025.08

(Rescinds Executive Order 01.01.2015.26)

Governor's Office of Performance Improvement

- WHEREAS, The State of Maryland is facing the worst budget crisis in at least twenty years-worse than that of the Great Recession-and will require common sense, sustainable, and long-term strategies across all of state government to achieve fiscal health;
- WHEREAS, The Moore-Miller Administration values the enhancement of accountability in government through the use of strategic, evidence-based and data-backed solutions to better serve the people of Maryland;
- WHEREAS, The Governor's Office of Performance Improvement, established in 2015, has evolved under the Moore-Miller Administration to focus on the modernization of government services through greater accountability and coordination among State agencies;
- WHEREAS, Measuring progress, achieving results, and promoting service are core tenets of government accountability; and
- WHEREAS, Marylanders deserve a state government that serves all people, is a good steward of taxpayer dollars, and is operationally efficient.
- NOW THEREFORE, I, WES MOORE, GOVERNOR OF THE STATE OF MARYLAND, BY VIRTUE OF THE AUTHORITY VESTED IN ME BY THE CONSTITUTION AND LAWS OF MARYLAND, HEREBY RESCIND EXECUTIVE ORDER 01.01.2015.26, AND PROCLAIM THE FOLLOWING EXECUTIVE ORDER, EFFECTIVE IMMEDIATELY:

A. Governor's Office of Performance Improvement. The Governor's Office of Performance Improvement ("GOPI") shall be responsible for improving the performance of Maryland State agencies through greater accountability, coordination, and capacity building.

(1) GOPI shall be managed by the Chief Performance Officer, who shall direct the operations of GOPI. The Chief Performance Officer shall be appointed by and serve at the pleasure of the Governor.

(2) GOPI shall be comprised of staff appointed by the Governor.

B. Duties. GOPI shall:

(1) Develop the State Comprehensive Plan ("State Plan"), as defined in §3-1001 of the State Finance & Procurement Article of the Annotated Code of Maryland, at the outset of a new gubernatorial administration, which shall:

a) Include a statement of goals which serve as broad directives for improving or making more cost-effective State resources and services; and

b) Align State programs and services with the Governor's priorities.

(2) Direct State agencies to develop objectives, strategies, key milestones, and/or performance measures to track the State Plan implementation.

(3) Develop and implement common sense government modernization initiatives as well as improve State operations and service delivery in order to:

a) Ensure strategic resource management;

b) Maintain fiscal sustainability;

c) Promote cost optimization strategies to ensure receipt of the highest value for state expenditures; and

d) Eliminate duplication and fragmentation.

(4) Hold State agencies accountable for delivering results, and maintain a data-driven approach to performance improvement and decision-making by:

- a) Tracking progress on the State Plan and government modernization initiatives;
- b) Holding regular data-driven reviews with the Governor, Lieutenant Governor, and/or agency leaders;
- c) Identifying areas for improvement and/or key actions;
- d) Building agency capacity to support a data-driven, action-oriented culture within State government; and
- e) Leveraging social science and evidence of best practices to ensure results for Marylanders.

(5) Establish a Performance Improvement Council ("PIC") composed of State agency representatives to provide a forum for the exchange of ideas to enable continuous improvement in the delivery of government services, accountability, and cross-agency collaboration.

C. Procedures.

(1) Each State agency and department of the Executive Branch shall appoint a performance lead to drive performance improvement at their agency, and who shall be primarily responsible for:

- (a) Providing access to the data requested by GOPI to determine progress being made by the agency;
- (b) Collaborating with GOPI to analyze the collected data; and
- (c) Following-up on areas of improvement identified by GOPI.

(2) On a regular basis, each Secretary or agency head, or their designee, shall meet with GOPI.

(3) The State agencies and departments of the Executive Branch shall build a data-driven, action-oriented culture that is accountable for delivering results.

D. All State agencies, departments, and boards and commissions within the Executive Branch are authorized and directed to cooperate with GOPI in implementing the provisions of this Executive Order.

E. This Executive Order shall not be construed to alter existing authorities of any Executive agency or department, except that all Executive agencies and departments are directed to assist the GOPI in carrying out the purposes of this Executive Order.

GIVEN Under My Hand and the Great Seal of the State of Maryland, in the City of Lusby, Calvert County, this 10th day of January 2025.

Wes Moore
Governor

ATTEST:

Susan C. Lee
Secretary of State
