- Multiple high-volume testing sites to begin opening across Baltimore City
- New testing site at Baltimore Convention Center

451,967 TESTS

COMPLETED TO DATE

429% INCREASE

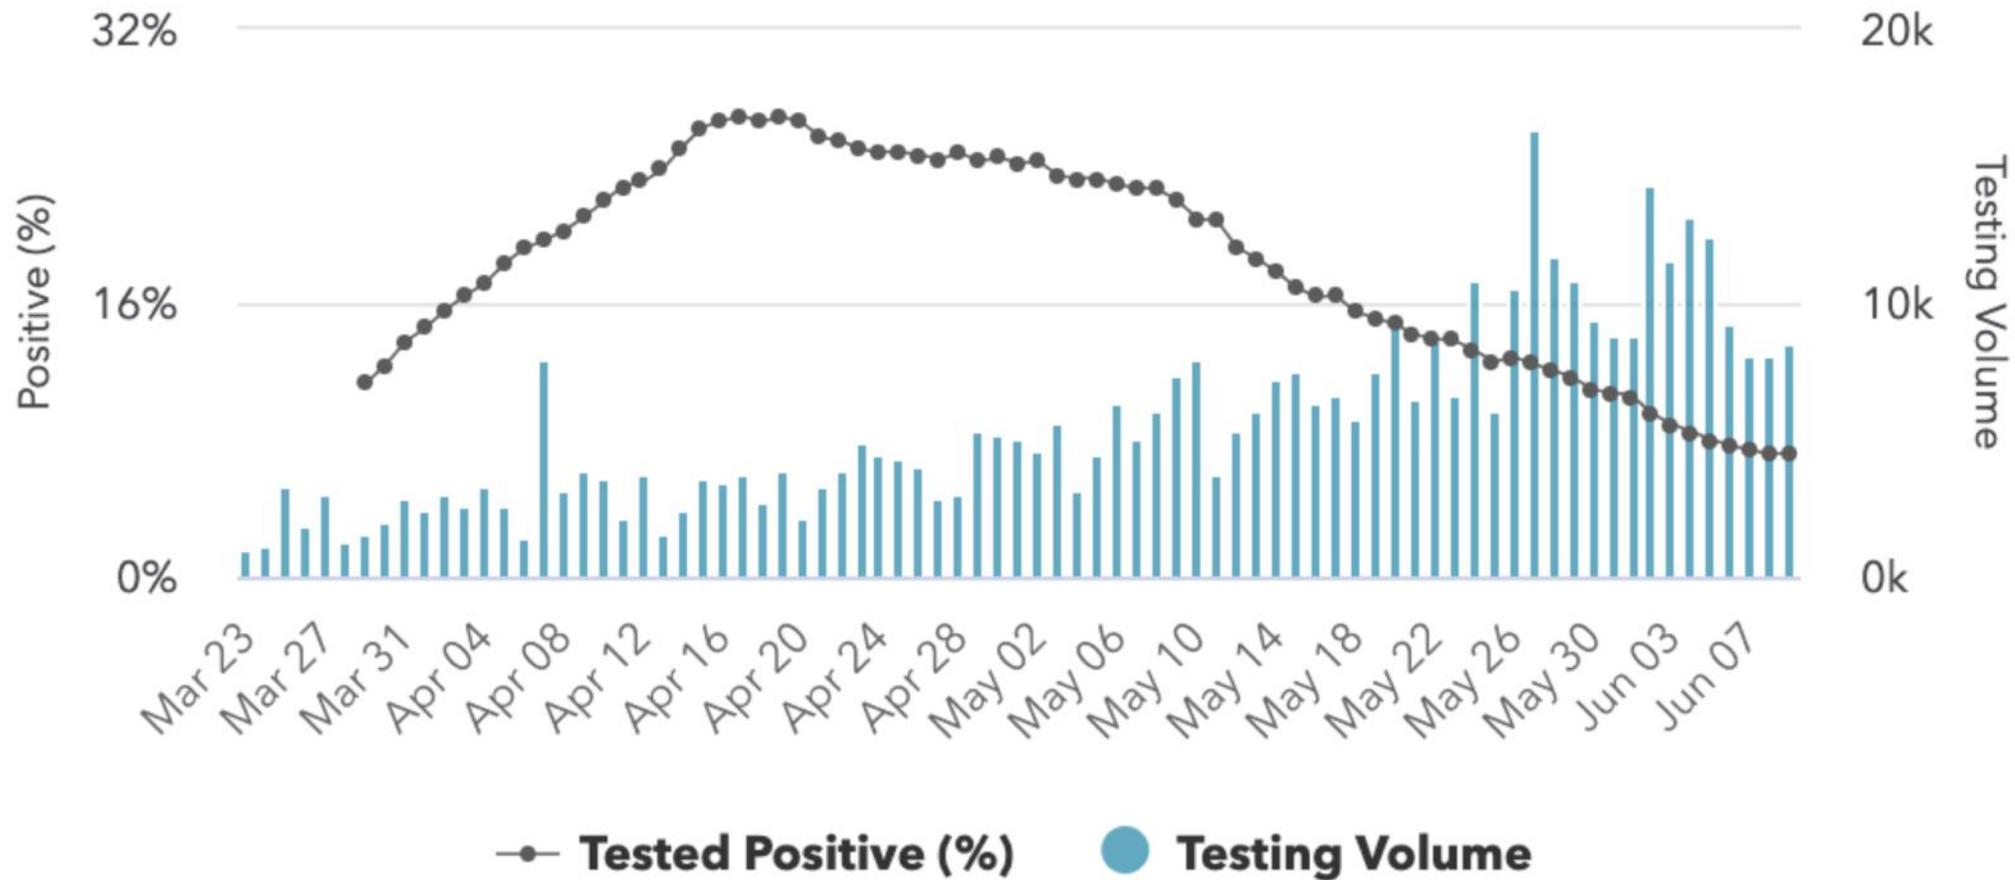

OVER THE PAST 50 DAYS

**Testing is available to anyone
who wants to be tested at no
out-of-pocket cost.**

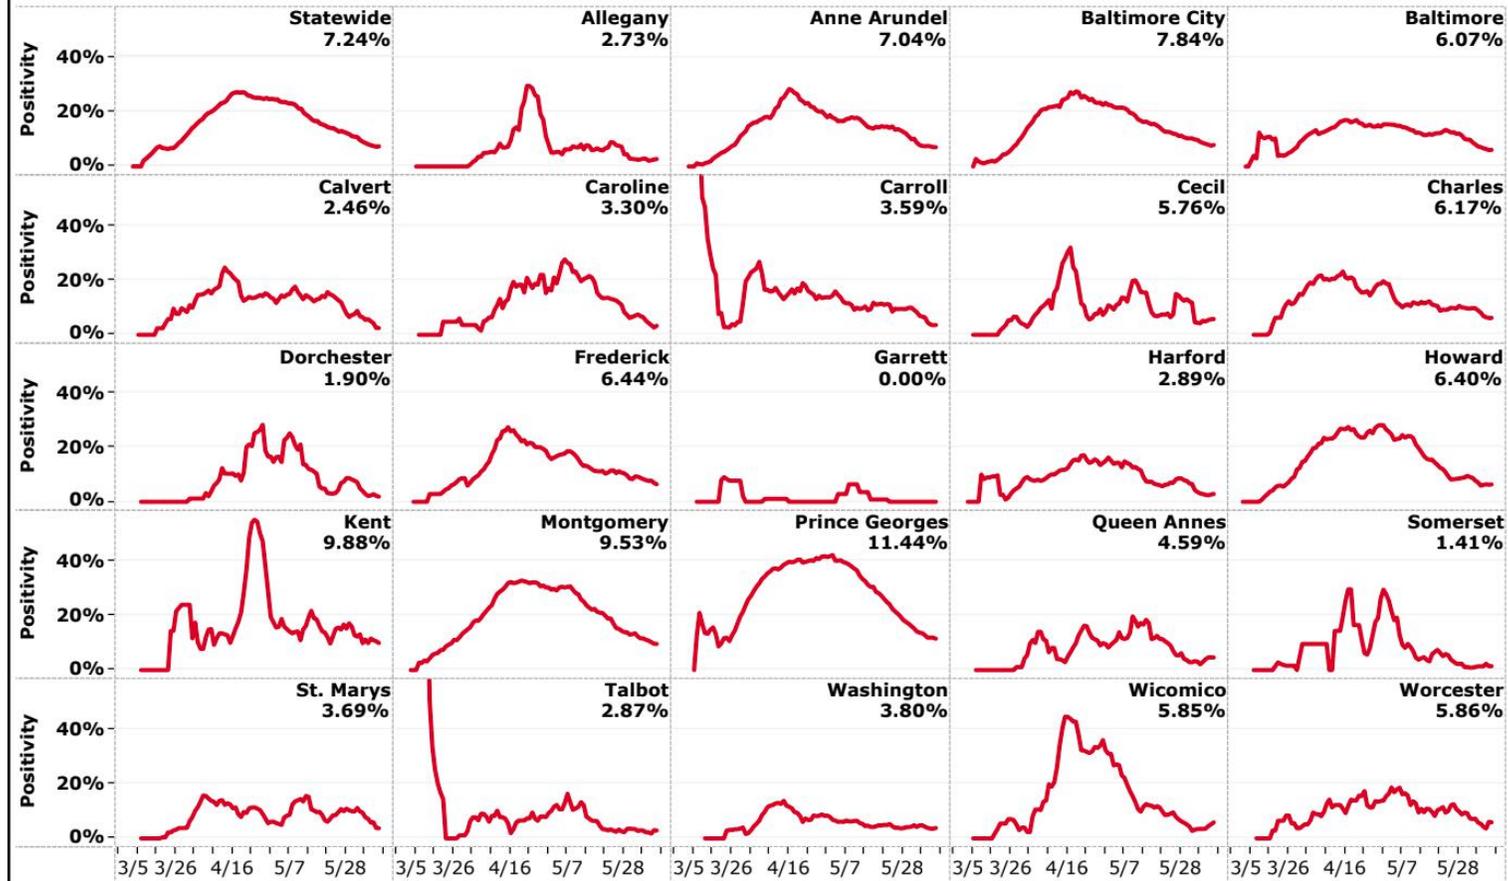

Positivity Rate and Testing Volume

Percent Positive Testing in all Maryland Jurisdictions

(rolling 7-day average*)

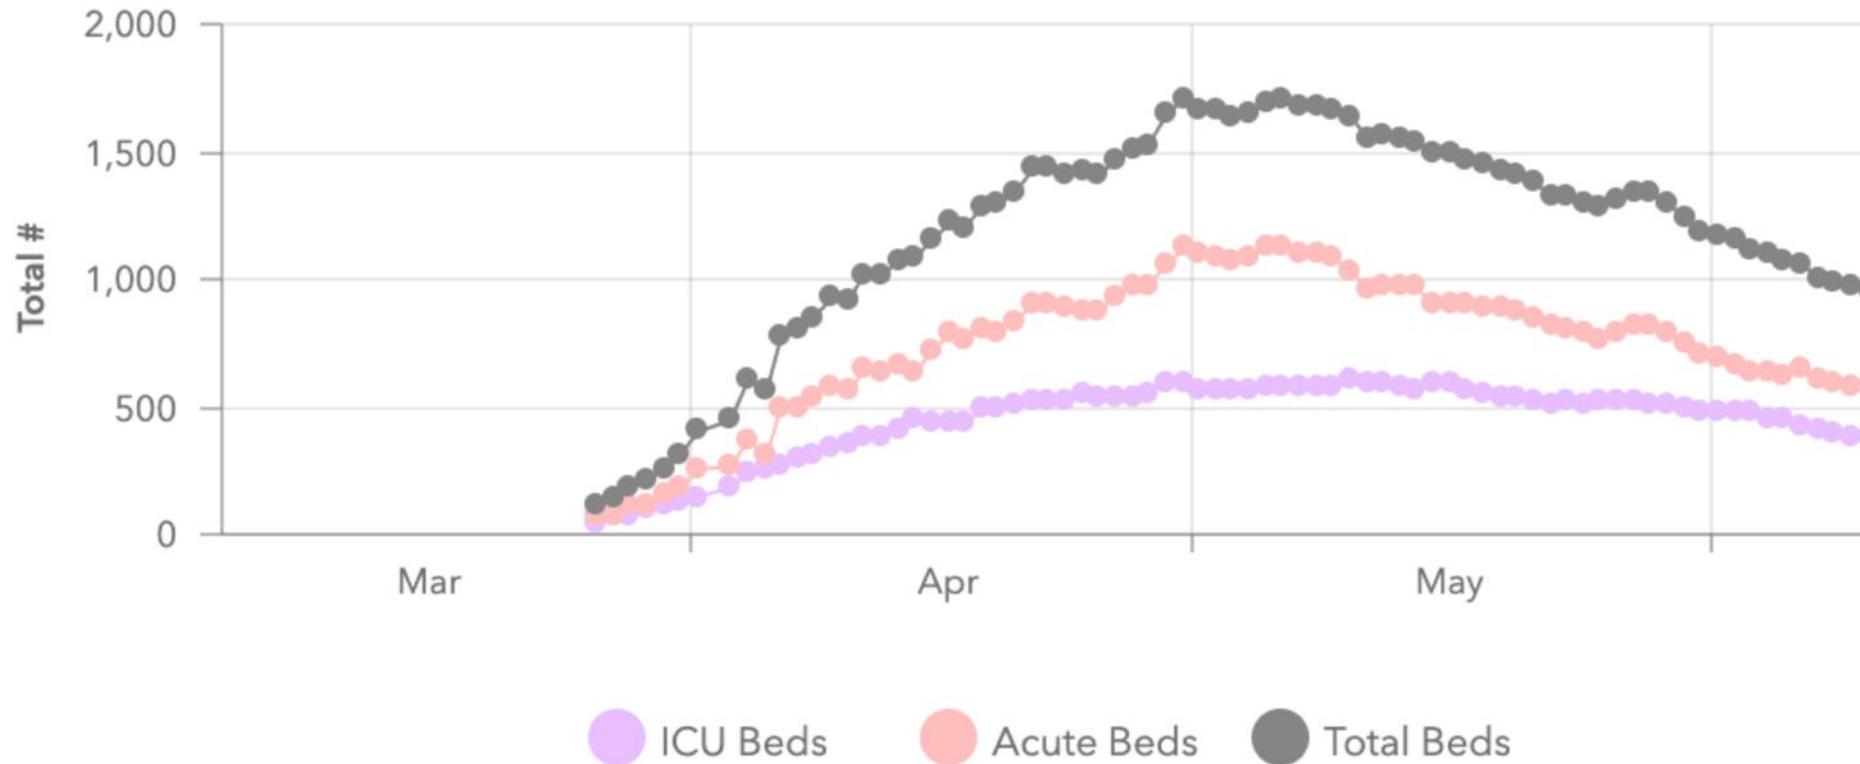

Data reported as of **6/10/2020** for data through **6/9/2020**

Jurisdiction and most recent value are labeled in each chart.
*Each data point is calculated using the average positivity across the most recent day and the previous 6 days.

Hospital Beds Currently in Use for COVID-19

While continuing to battle this deadly virus, we must also fight to protect the small businesses and Marylanders who are struggling to make ends meet.
