We must, and will, continue to use every tool at our disposal.
Capacity for indoor operations at bars and restaurants will return to 50%.
MDH is issuing a public health advisory against any indoor gatherings of 25 people or more.
TRAVEL ADVISORY
If you must leave the state for essential travel: get tested and self-quarantine while awaiting results.
TELEWORK

- Mandatory for approved state employees
- Strongly encouraged for all employers statewide
SURGE PLANNING

- Adding alternative care site capacity
- Providing staffing support and clinical care to nursing homes
NURSING HOME GUIDANCE

- Marylanders should get tested before visiting loved ones
- Staff should increase vigilance
- Facilities should prepare a PPE stockpile for winter months
ENFORCEMENT

- State orders carry the full force of the law
- Local partners must immediately ramp up enforcement efforts
We have come too far, and the stakes are too high.
Marylanders helped crush the curve once – we can and will do it again.
